NOTIFICATION FOR STUDENTS AND INSTITUTES

The Council has decided to conduct odd semester external theoretical examinations during the period from **03.01.2024 to 16.01.2024**. It is understood that none of the Institutes could complete the syllabus of 1st semester due to truncated time available for studies. However, in the general interest of the 1st semester students, Council will give 2 to 3 marks questions for the 1st semester students so that students can answer maximum questions based on completion of syllabus.

All concerned Institutes must take classes in the 2nd semester as a continuation to 1st semester to complete the syllabus which is not completed during 1st semester. Students will have to be mindful that the Institutes are taking the effort of holding remedial classes for completion of syllabus.

If students face any academic difficulty regarding completion of course they can inform at academic_wbsctvesd@yahoo.com.
